

### PRODUCT DESCRIPTION

**Topkote Tub & Tile Cleaner** is a fast acting, heavy duty cleaner formulated to quickly dissolve soap scum, mineral deposits and body oils that leaves the surface sparkling clean and bright.

#### For Use On:

- Porcelain
- Ceramic Tile
- Shower Stalls
- Sinks
- Bathtubs

### DIRECTIONS FOR USE

Scrub the surface with a generous amount of **undiluted** Tub & Tile Cleaner using a 3M abrasive pad. For heavy soap scum surfaces, follow up with 80 grit wet/dry sandpaper and then scrub again with the 3M abrasive pad. Be sure to rinse well. A clean surface is a must for any refinishing application. It is best to work a section at a time to ensure nothing is missed. Keep the surface wet and don't allow the cleaner to dry out before rinsing. The purpose of the abrasive pad or sandpaper is not to sand the surface but to quickly cut through soap scum or other build-ups on the surface. It is the cleaner that breaks down greases and oils not the scrubbing or sanding. **Tip:** If the surface is particularly dirty give it a quick cleaning, rinse, and then clean a second time. This simple technique will get the dirtiest surfaces clean quickly.

#### Caution:

DO NOT use on polished natural stone surfaces or bronze fixtures.

### TECHNICAL PROPERTIES

Appearance	Green Liquid
Specific Gravity	1.07
Odor	Mint
Ph (Conc)	0-1
Flash Point:	N/A

Rev 01/2026
