

## PRODUCT DESCRIPTION

Prep-Solv™ is a high-performance, final-wipe solvent cleaner engineered to prepare surfaces for optimal coating adhesion. It is streak-free, fast-evaporating, and leaves no residue. This proprietary blend targets and eliminates grease, wax, silicone, oil, and moisture contamination before refinishing or painting operations.

### Key Benefits

- Streak-Free Finish
- Rapid Evaporation
- VOC-Conscious Solvent Blend
- Leaves No Residue
- Improves Coating Adhesion
- Compatible with a Wide Range of Substrates

### Recommended Uses

Prep-Solv™ is ideal for use in:

- Bathtub & Tile Refinishing
- Electrostatic Coatings
- Industrial OEM & Maintenance
- Architectural Metal, Steel Fabrication & More

### Surface Compatibility

Safe and effective on:

- Porcelain
- Ceramic
- Fiberglass
- Metal (Steel, Aluminum)
- Painted Surfaces
- Primed Substrates

## INSTRUCTIONS

Use only in well-ventilated areas. Saturate a clean, lint-free cloth and wipe surface thoroughly to remove all contaminants. Use a second dry cloth to follow immediately, wiping in one direction. Allow surface to dry before applying coatings. Do not pour directly on the surface.

## PHYSICAL PROPERTIES

Property	Value
Appearance	Clear Liquid
Odor	Mild Solvent
Density	6.98 lb/gal
VOC (Material)	319 g/L
Evaporation Rate	Fast
Packaging	Quart

### Safety & Storage

- For professional and industrial use only.
- Keep container tightly closed and stored in a cool, dry, well-ventilated area.
- Avoid heat, sparks, open flames, and hot surfaces.
- Consult SDS for complete safety guidelines.

### Ordering Information

Available in:

- 1 Quart (0.946 L)
- Product Code: **560X8333**

Rev 02/2026

### **TERMS AND CONDITIONS OF SALE**

While statements, technical information and recommendations contained herein are based on information our company believes to be reliable, nothing contained herein shall constitute any warranty, express or implied, with respect to the products and/or services described herein and any such warranties are expressly disclaimed. We recommend that the prospective purchaser or user independently determine the suitability of our product(s) for their intended use. No statement, information or recommendation with respect to our products, whether contained herein or otherwise communicated, shall be legally binding upon us unless expressly set forth in a written agreement between us and the purchaser/user.
